

AGARTALA MUNICIPAL CORPORATION AGARTALA

Our Vision is ...

- A vibrant, safe and culturally diverse community that fosters participation, connectedness, harmony, social inclusion, health and wellbeing of all.
- A community with access to high quality, responsive services, facilities and infrastructure, to meet changing needs.
- A council underpinned by sound financial management, customer service, continuous improvement, strong governance and leadership, transparency, consultation, communication and advocacy.
- A municipality that supports sustainable development and achieves a balance between lively activity areas supporting a healthy local economy.
- A community that protects and enhances our natural environment and is concerned about reducing our carbon footprint in all that we do.

Our Values are ...

- **Integrity and Transparency**
We commit to honesty and openness, fostering trust and goodwill with our community through responsible decision-making, processes and reporting.
- **Diversity, Harmony and Inclusiveness**
We embrace, respect and value the diversity of our community and promote harmony and inclusiveness for people of all ages, abilities, cultures and backgrounds.
- **Accountability and Responsiveness**
We aim to deliver high quality, responsive and customer-focused services to meet the priorities of our community in a timely, efficient and effective manner.
- **Continuous Improvement and Innovation**
We strive to improve what we do through consultation, community feedback, learning and engagement.
- **Environment Sustainability**
We are committed to balanced planning and economic growth with environmental responsibility and sustainable practices.
